Dear King Members, Friends, and Family:

Thank you for entrusting the Veterans Home at King to provide support to your family member during these unprecedented times. Please be assured our commitment to the health and well-being of our members always remains our top priority.

Since we updated you on October 28th, we have had one employee test positive for COVID-19. Currently we have four cases of COVID-19 on campus (zero members, four employees).

Keep on following all of the COVID-19 prevention protocols. As always, please exercise caution to remain safe and healthy. Continue to wear a mask when out, remain six feet away from others, avoid crowds and poorly ventilated spaces, wash your hands frequently, and get vaccinated. If you are still in need of a vaccine or a booster, visit <https://vaccinefinder.org/> to find a location near you.

Thank you for your support and understanding that we are all in this together.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.
